

## State House 38 Restaurant Celebrates Grand Opening

Commerce City residents and visitors will have a new gathering spot to enjoy meals with family, cheer on their favorite sports teams, and even play a game of bocce ball or corn hole. [State House 38](#) celebrated its grand opening with a ribbon-cutting ceremony at 15591 E. 104th Avenue in the Second Creek Marketplace.

The restaurant is the newest location for Little Pub Company, a family-owned Colorado company with over twenty concepts across the Denver metropolitan area. The 3,500 square-foot restaurant and bar features a 1,500-square-foot, all-season patio, and will serve American-style food for lunch and dinner seven days a week. The restaurant is finalizing details before opening to the public. Stay tuned for an announcement about the official opening date!

## La Casa Del Rey Reopens

Residents and visitors can enjoy their favorite La Casa Del Rey dishes once again! Located at 7035 E. 72nd Avenue, the restaurant briefly closed when the former owner sold the building this fall. The Hernandez family, Tammy, Javier, and their sons Jesse, Josh, and John managed the restaurant for over 15 years. The Hernandez family connected with the new building owner to reopen the restaurant and continue cooking the same recipes that Commerce City residents and visitors know and love.
